## Flexible Durable Multi-purpose

- Cattle handling pens
- Sheep and pigs pens
- Poultry housing
- Gates and fences
- Stable lining and side sheeting
- Horse boxes
- General repairs
- *and many more*

**Stokbord** sheet is as easy to work with as timber but outperforms the traditional product. It lasts much longer, requires very little maintenance, can be easily cleaned with steam or a pressure washer and, over its lifetime, is much more cost effective.
